Numb. 198.

THE

South-Carolina Gazette.

Containing the freſheſt Advices Foreign and Domeſtick.

From SATURDAY *September* 15, to SATURDAY *October* 13, 1739.

London, July 20.

THE French are building ſeveral Men of War in their own Ports, as alſo 18 *in the Ports of* Sweden, *which are in ſuch forwardneſs, that they will ſoon join the Marquis* de Antin's *Squadron, and cruize in the* Baltick.—*How far it carries the Face of Truth, now the Maſk is thrown off, that the French have no Intention to diſturb the Peace of the North, we muſt leave our Readers to judge.*

A Squadron of Men of War is ordered to cruiſe off the Coaſt of Ireland.

The Dutch have order'd 6000 *Troops to be ready to be ſhipp'd for* England *upon the firſt Notice; and alſo ſeveral Men of War to be got ready.*

The chief Deſign of the Government's detaining the Merchant ſhips by an Embargo, was, we are told, to prevent their being ſurpriz'd by the Spaniards.

Mr. Keen is hourly expected here from Madrid, *whoſe Inſtructions to leave* Madrid, *bore Date the 8th of* June. *And Orders have are ſent to Admiral* Haddock *to begin Hoſtilities; he has been reinforced with* 8 *Men of War,* 2 *Fireſhips, and two Bomb Veſſels.*

'Tis apprehended the War will be not only be deſperate but general, which God avert.

Ten Men of War will ſail forthwith for Jamaica.

July 24.

As to the preſent Juncture of Affairs on which a Council is to be held this Day, they are of ſuch a high and dangerous Nature, as cannot but awaken and engage us to a thorough Union. 'Tis written from *Paris*, that Orders have been ſent down to all the Sea Ports for repairing the King's Ships, that ſeveral Men of War are fitting up at *Toulon*, which are deſigned to join the *Spaniſh* Men of War at *Cadiz*, and that the Six Men of War lately built in *Quebeck* are deſtined in Caſe of Need to the *Spaniſh Weſt-Indies*. And that a *French* Man of War and a Merchant Man are actually at Cape *St. Francois* on the Coaſt of *St. Domingo*, with Troops on board, which are to be tranſported to *Miſſiſipi*, in order to be employed againſt the *Chickeſaw* Indians who border on the *Engliſh* Settlements in *North America*, which ſeem not well to agree with the Anſwer which 'tis ſaid the *Earl of Waldegrave* received to his Demand of the *French* Miniſtry to explain themſelves concerning the Part which the King their Maſter will act, in caſe *Great-Britain* and *Spain* ſhould come to a Rupture, particularly that his Majeſty will behave in a Manner that will manifeſt to the two Powers the Purity of his Intentions.

Beſides 'tis adviſed from *Liſle*, that they had received Orders to fill the Magazines of that City with every Thing neceſſary & the ſame is to be done in all the other Fortreſſes in *French Flanders*, and that the Colonels whole Regiments are quartered in the conquered Countries have Orders to repair to Court: And from *Madrid*, that on the 2d Inſtant, the Peace between the *Emperor*, *France* and *Spain* was publiſhed there with the uſual Ceremonies.

The grand Topick of Diſcourſe in all Converſations of any Note, is on the Expedient to which under this ſo very great and im-

portant

portant Affair the Government will have Recourſe.

As to Letters of *Marque* or General *Reprizals*, they are ſaid to be loaded with ſuch Reſtrictions, that few of the *Merchants* are deſirous of applying for them, but ſeem fond enough for an early and downright War as the only *Method* for their obtaining full Reparation for the great Loſſes they have many Years ſuſtained, and a free and uninterrupted Enjoyment of their Commerce without having their Ships viſited, or being ſearched in the *American* Seas by *Spaniſh Guarda Coſtas*, and many regret that it has been ſo long delayed, but the Apprehenſions of the Junction of a certain Power with *Spain* if rightly conſider'd have been the Cauſe.

CHARLES-TOWN, *Oct.* 13.

Lawes, Sailed from this Port to the Southward in queſt of the Spaniards, and having met with a Spaniſh Veſſel of Auguſtine, ſhe was brought in this Harbour on Monday the 24th of September laſt by the ſaid Capt.
